Rajesh Rajan  
President  
Indian Association of Clinical Cardiologists

Dear Dr. Rajan,

As you know, the ACC has organized several meetings over the last two years with the various Indian Cardiac societies and constituencies. As a result of these productive meetings, the ACC is very excited to launch its ACC India Advisory Board. It is our hope that this Advisory Board will catalyze the formation of a formal India ACC Chapter. As Chair of the ACC India Advisory Board, it is my pleasure to extend a formal invitation on behalf of ACC for you to represent your organization on the ACC India Advisory Board.

As per the guidelines agreed upon at ACC.12 in Chicago, each society and constituency shall appoint a representative to the Board for a three year term of service. You have been designated as the inaugural representative of the Indian Association of Clinical Cardiologists to the Board.

The first Board assembly will take place during the 64<sup>th</sup> Annual Cardiological Society of India Conference, December 6<sup>th</sup> to December 9<sup>th</sup>, 2012 in New Delhi. We would be honored to have your support and participation on the India Advisory Board. Please confirm your acceptance on the India Advisory Board and your attendance at this meeting.

Congratulations and we look forward to working with you.

Kind regards,

Dipti Itchhaporia, MD, FACC  
Chair, India Advisory Board, American College of Cardiology
